We have been working on Tie-Dye shirts for the Program on December 4th. Please arrive early in order to park across the street in the large space available next to Dominoes Pizza. Please do not block the driveway to the facility next door, as they have buses that arrive in the afternoon.

This month is National "Write a Letter Month". We have a continued involvement in helping the local For The Troops office to supply pictures and letters for the packages that go to the troops. We will be supplying them with Letters and Pictures and we look forward to receiving their response later this month and shortly after the New Year.
